

TechCorp Employee Handbook

Version 3.2 | HR Department | 2024

1. Refund and Return Policy

Customers are eligible for a full refund within 30 days of purchase, provided the product is unused and in its original packaging. After 30 days and up to 90 days, a store credit equal to the purchase price will be issued. Digital products and software licenses are non-refundable once the activation key has been used. To initiate a return, contact support@techcorp.com with your order number. Refunds are processed within 5-7 business days and will appear on your original payment method. Shipping costs are non-refundable unless the return is due to a defect or error on our part.

2. Employee Working Hours

Standard working hours are Monday to Friday, 9:00 AM to 6:00 PM in your local time zone. A one-hour lunch break is provided between 12:00 PM and 2:00 PM at the employee's discretion. Flexible work arrangements are available with manager approval, subject to a mandatory core hours window of 10:00 AM to 3:00 PM when all team members must be reachable. Remote work is permitted up to 3 days per week for employees who have completed their probationary period of 6 months. Overtime requires prior written approval from a department head and is compensated at 1.5x the hourly rate.

3. Onboarding Process

New employees follow a structured 90-day onboarding program. Week 1 covers IT setup, system access provisioning, security training, and introductory meetings with HR and the direct manager. Weeks 2 through 4 involve shadowing senior team members, product training, and completing mandatory compliance modules on the learning management system. During Month 2, employees begin independent work on assigned tasks with bi-weekly check-ins with their mentor. A formal 90-day performance review is conducted by the direct manager and HR to assess progress and set goals for the next quarter. Each new hire is assigned a buddy from Day 1 for informal guidance.

4. Password and Security Policy

All employees must use passwords of at least 12 characters containing one uppercase letter, one number, and one special character. Passwords must be changed every 90 days. Multi-factor authentication (MFA) is mandatory for all company systems and VPN access. Employees must never share passwords or use the same password across multiple systems. If you suspect your account has been compromised, report it immediately to the IT security team at security@techcorp.com. Password managers such as 1Password or Bitwarden are recommended and company-licensed versions are available through IT. Violation of this policy may result in disciplinary action.

5. Leave and Holiday Policy

Full-time employees receive 20 days of paid annual leave per year, accruing at 1.67 days per month. Unused leave of up to 10 days may be carried forward to the next calendar year. Sick leave is provided

separately at 10 days per year and does not require prior approval for absences of 3 days or fewer. Parental leave consists of 26 weeks at full pay for the primary caregiver and 4 weeks for the secondary caregiver, available after 12 months of employment. Public holidays follow the schedule of the employee's country of residence. Leave requests must be submitted via the HR portal with a minimum of 2 weeks notice for planned absences.

6. Product Tiers and Pricing

TechCorp offers three subscription tiers. The Starter plan costs \$29 per month and supports up to 5 users with basic analytics and email support. The Professional plan costs \$99 per month for teams of up to 50 users, including advanced analytics, priority support, and API access. The Enterprise plan is custom priced for unlimited users and includes SSO integration, dedicated account management, a 99.9 percent uptime SLA, and custom onboarding. A 14-day free trial is available for all tiers with no credit card required. Annual billing provides a 20 percent discount on all plans. Educational institutions and non-profits qualify for a 40 percent discount.

7. Code of Conduct

All employees are expected to treat colleagues, clients, and partners with respect and professionalism. Harassment, discrimination, or bullying of any kind will not be tolerated and may result in immediate termination. Employees must disclose any conflicts of interest to their manager and HR before engaging in outside work or investments related to the company's business. Confidential company information must not be shared externally without written authorization. Social media posts that could damage the company's reputation or reveal proprietary information are prohibited. Violations of this code should be reported to hr@techcorp.com or through the anonymous ethics hotline available 24 hours a day.
